SECURE DESIGN EXPANDABLE WALL SAFE

Mounts in your wall between wall studs

Better Safe...

Secures to studs from within safe

Don't trust your valuables to an "unsafe safe". Protect and secure your jewelry, cash and important papers from thieves. Keep dangerous medicines and firearms safely away from your children. Perfect for closets or behind wall treatments such as pictures, paintings, mirrors etc...

The perfect combination of convenience and security

- Digital key pad
- Timed interior light
- Two levels of code management
- Automatic motor drive
- Anti tampering lock-out function
- Low battery light
- Override key for emergency access
- Door opens over 100 degrees
- Uses 4 AA batteries (included)
- Epoxy powder coating
- Includes mounting hardware
- Includes adhesive accessory hooks

Than Sorry.
